2011 Pool & Spa Service Packages

To view detailed descriptions of all of our services please visit www.newtownpools.com

All package prices include tax and must be prepaid in full

_____ **Standard Customer Package:** Spring opening, 1 hour of initial vacuuming, complete initial water analysis and balance of all water properties, and *fall closing*. **\$900**

_____ **Bi-Weekly Maintenance Package:** Spring opening, initial vacuum, complete initial water analysis and balance of all water properties, bi-weekly maintenance (approx 18 weeks) **all chemicals included**, and fall closing.

_____ Chlorine Pool **\$2,500** _____ Salt Pool **\$2,300**

_____ **Weekly Maintenance Package:** Spring opening, initial vacuum, complete initial water analysis and balance of all water properties, weekly maintenance (approx 18 weeks) **all chemicals included**, and fall closing.

_____ Chlorine Pool **\$3,500** _____ Salt Pool **\$3,300**

Note: Vacuuming is not included at time of pool opening. We will return to vacuum when the bottom of the pool is clearly visible.

Note: Customer is responsible for removing water and debris from cover prior to opening. If removed by our technician you will be billed at an hourly rate of \$75.00 per hour. We are not responsible for debris falling into the pool when the cover is removed. Pool water must be raised to proper operating level before we arrive. If a second trip is needed because water is not at operating level, there will be an additional charge of \$75.00.

Single Service Options:

_____ \$350 Open In-Ground Pool with safety cover _____ \$425 Open In-Ground Pool with Spa & safety cover

_____ \$400 Open In-Ground Pool with solid cover _____ \$475 Open In-Ground Pool with Spa & solid cover

_____ Weekly Maintenance \$75 per visit **not including chemicals**

_____ Bi-Weekly Maintenance \$80 per visit **not including chemicals**

_____ 1 Initial Vacuum up to 1.5 hours with no chemicals \$150.00

_____ 1 Initial Vacuum up to 1.5 hours & initial water balance **all chemicals included \$250**

Note: After 1.5 hours of initial vacuuming, additional vacuuming visits may need to be scheduled and will be billed at regular vacuuming rate of \$80.00 per hour. These additional visits will insure that your pool is ready for use.

Pool Opening Procedure: Remove and store winter cover & plugs, hook up & start filter system, inspect fittings & equipment, add shock & algaecide, brush walls & floor, install diving board, ladders, & rails, make an attempt to start heater, and bring back a water sample to our store for a complete water analysis.

****Save 10% off your initial in-store chemical purchase from your water analysis!!!**
